

## Kindergarten

The writer drew and/or wrote a whole story.

Sara and I went to school.

It was sunny.

We saw a dog.

We were scared.

We ran.

We got to school.

The story includes characters (including a bit about their feelings) and setting.

## Narrative Writing

The writer used pages to show what happened in order. She has constructed a beginning, middle, and end for her story.

Others can read the writing: there are spaces between words, letters for sounds, and capital letters for names. Others can read the writing: there are spaces between words, letters for sounds, and capital letters for names.

\*The student will likely do some of this through words and labels, and other parts through illustrations.
