

Dear reader,

The Zack files is very infisting
and I'm hooked to it and
one book is very strange
it's one about Zack has this
mean queen and in one
page the queen that was
in Zack said the toilet in
this kind of way like
this "take us to the bloody
w.c" and a toilet isn't
bloody and what does w.c
mean? That is so weird and
people don't say it in that
way people just say "can you
take me to the toilet?" and
that's how people say it. And
in another page it said
"Cease this infernal racket!" what
racket it's ~~peaceful~~ peaceful

how is it a racket? why
would she call it a racket if it's
peaceful and no one is offending
her? ~~the~~ maybe because
she is a really mean queen
and she thinks she can control
anyone.
