

Dear Readers,
Pinky and Rex
and the Spelling
Bee is a
really good book.
One of the
reasons why I

like this book is because
of the main characters
Pinky and Rex. I also find
that it's a little funny
that the boys name is
Pinky and the girls
name is Rex. And also
I have a friend who
is like a sister
to me and so this
remides me of her.
James Howe also has
a way of showing

The characters
feelings. For
example in
Pinky and
Rex and the
Spelling Bee

I can tell that Rex
is afraid, shy, and surprised,
about the spelling
bee, and Pinky is
feeling confident and
happy about the
spelling bee. This is
important because it
tells you a little bit
about what will happen
next and I will
tell you their feelings
WILL CHANGE!

-Audrey

Handwriting practice lines consisting of seven horizontal lines. The first line contains the handwritten name "-Audrey".

Handwriting practice lines consisting of thirteen horizontal lines, intended for additional writing practice.
