I'll let YOU
decide which
POKÉMON is the
best, but let me
list some of the
most famous!

1. Pikachu
2. Shorlax
3. Bulbasaur
4. Gengar
5. Squirtle

The Handbook also
includes 2 new pokémon!:

1. Mew
2. Togepi

plus, there's a long note from
Professor Oak, and a map
of the Kanto region!
And that's why I give it the pokémon+trainer award.
