and look down  
at all the people  
below

by Maanav

I want a dog  
My mom says no  
I want a turtle  
My mom says no  
I want a rabbit  
My mom says no  
I want a lizard  
My mom says no  
I want a fish  
My mom says yes!

#### **At Daniel's House** (from Session 6)

by Ramon

By the tree  
I saw three birds  
One bird came out  
A boy sprinkled  
bits of bread to the  
other birds  
the birds were  
laughing they  
were jumping up and down.

#### **Icicles** (from Session 7)

by Tess

Icicles  
Icicles sparkle  
in the sun  
Drip, drip, drop  
Water dropping down  
Icicles fade  
when the sun comes up  
Icicles come to life  
when it is cold  
Icicles dance  
in the sky
