

All About Wals

Wals are the  
bigist animals on  
earth. The bigst  
wal is the blue  
wal. They eat cril the  
smalst animals on  
earth.

Wais can be

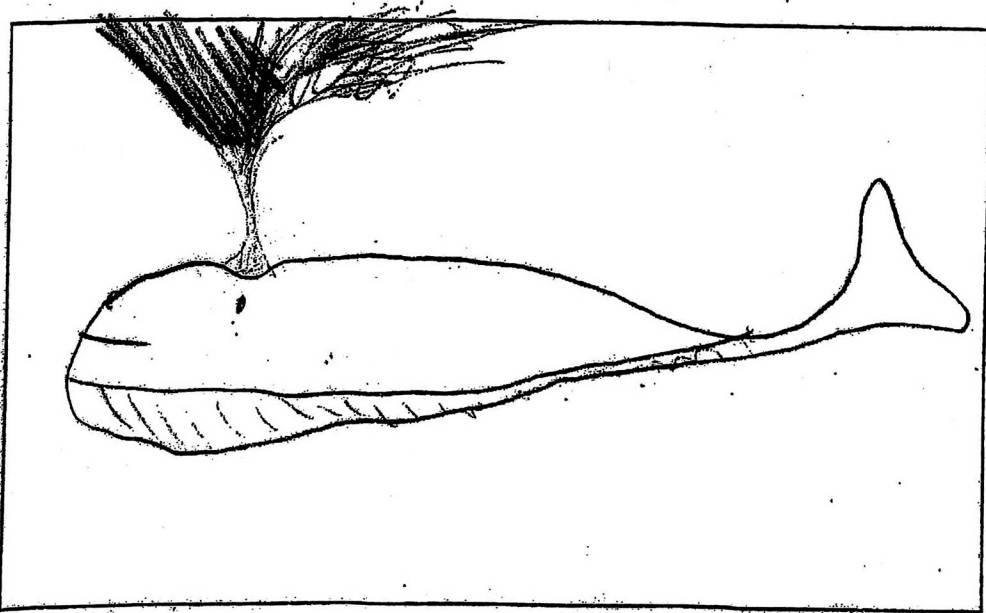

Gray wit wait

tomes or with

blow tops and

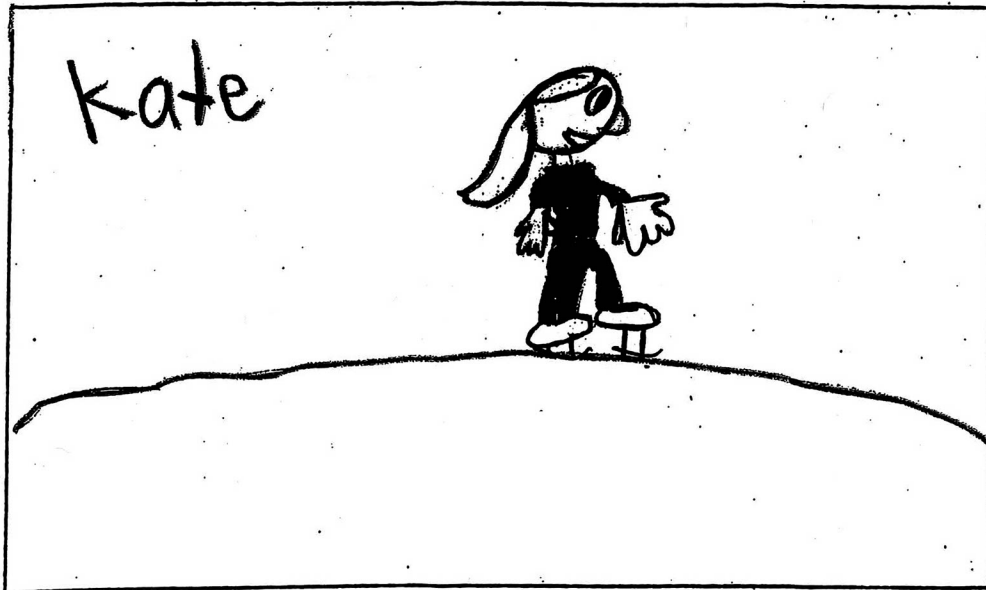

with tames.

Bloshos.

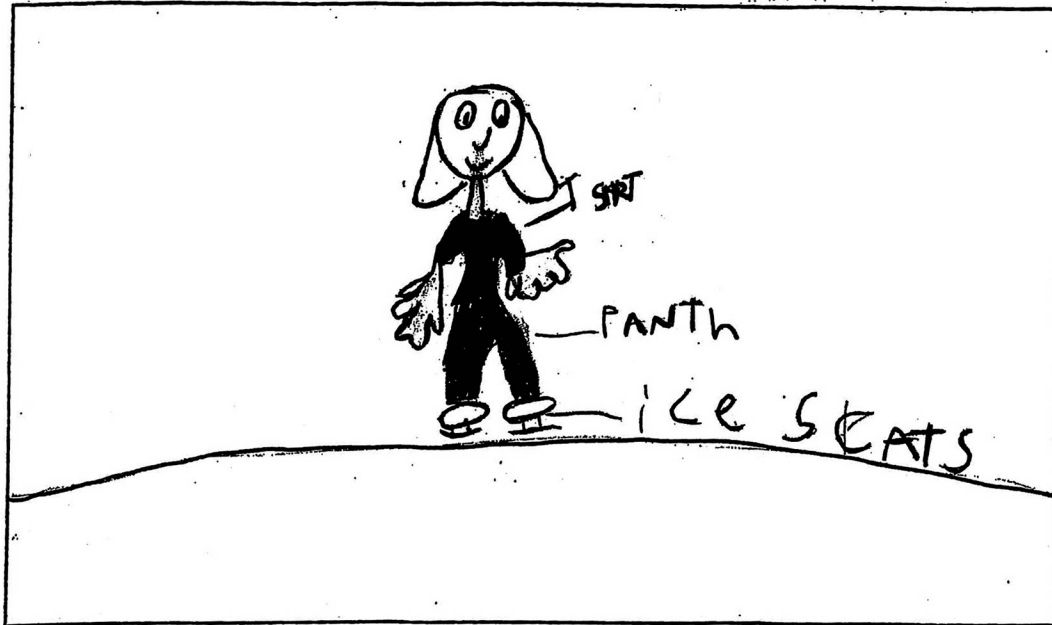

Bloshos help with  
Breath. It sheds  
off water. It's  
like a water fountain  
but a lot bigger  
water fountain.  
Wals are the grapist.

Wut is fun  
in the winter?  
Wut is VARY  
COLD? wut is  
SLIPRY? it is ...  
ice skating!

WUT TO WARE

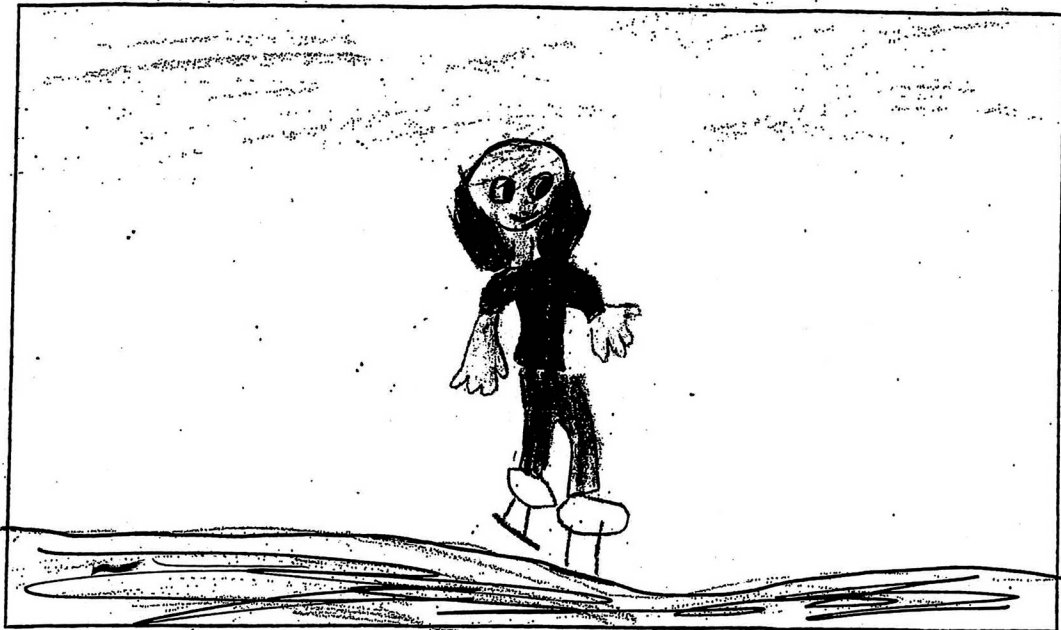

Wen you ice scat  
you food WARE  
PANTS, AND a SHIRT.  
AND YOU ALSO HAVE  
TO WAR ICE  
Scats! OF cars.

WHAT ARE ICE SCATS?

ICE SCATS ARE  
SOOS WITH METAL  
ON THE BOTTOM.  
IT HAS BLADES ON  
THE BOTTOM. ON THE  
TOP ARE THE SOLARIS  
BE CAPEL DO NOT TRIP  
ON THEM.

# TRY TO BALINCH

When you ice SCAT  
you have to  
BALINCH. Some times  
you fall so you try  
agin. You have to try  
to first STAND ON your  
icescots AND SLOWLY WALK. AND  
SLID. AND NOW YOU CAN  
BAUNSH! NOW YOU CAN GO!
